2. The two points that require consideration and orders in the case are:-

1) The acceptance of Pro-notes in lieu of cash as charitable deposit, and

Sir,

Under the rules relating to the Deposit of Funds with the Government of Mysore at advantageous rates of interest for charitable purposes, I beg to submit this, my tender, for favourable consideration and acceptance of Government.

2. I wish to deposit British Government three-and-a-half per cent Promissory Notes of the 1st May 1865 of the face value of Rupees six-thousand-and-seven-hundred (Rs 6,700) duly endorsed to the Government of Mysore, with a request that Government may be pleased to draw and appropriate to themselves the interest accruing thereon from time to time and direct the payment of Rupees two-hundred-and-sixty-eight (Rs 268) per annum for the benefit of the Institution in Bangalore city, known by the name of "SRINIVASA MANDIRAM CHARITIES INCLUDING THE LADIES' SECTION". This amount may be distributed

among the four sections of the Institution namely (1) the Srinivasa Deva temple, (2) the orphanage, (3) the Free Reading Room and Library, and (4) the Ladies' Section, in such proportions as may be determined by the Managing Committee of the Institution from time to time. This sum may be paid in two equal instalments, preferably in the months of June and December respectively along with the Government grants which are now being paid from one or more departments of the State. If permitted, this may be called "SUNDERA BAI ENDOWMENT FUND".

3. The Managing Committee of the said Srinivasa Mandiram Charities are intending to construct a hall for the use of the Ladies' Section, who are now holding all their meetings in the existing library room much to the inconvenience of the ladies themselves and of the reading public who have to be kept out of the library when the ladies assemble. On application, Government have been pleased in their Proceedings No.3807-10/Edn.77-17-39 dated the 6th November 1918 to promise a donation of Rupees five-thousand (Rs 5,000) towards the construction of this hall. I have promised to contribute Rupees five-thousand (Rs 5,000) towards the same purpose. This amount is now held in Fixed Deposit for one year with the Bank of Madras being interest at the rate of five per cent per annum, interest being payable half yearly, and I beg that Government may be pleased to accept the Fixed Deposit Receipt from me with a letter authorising the Bank to pay

the amount to Government on maturity together with the interest accrued thereon. My request is that the Government may be pleased to hold this amount in trust allowing it to bear compound interest either at the Bank rate or the Government rate allowed for charitable endowments, whichever may for the time being, be more favourable, and pay the entire amount, in such instalments as they may think proper along with their own donation towards the construction of the said hall. This amount may be paid either on the completion of the work or while the work is in progress in proportion to the progress achieved, or even in advance as the Government may deem fit, but in all cases upon receiving satisfactory assurance that the work would be prosecuted to completion with due diligence and attention, without interruption of any sort likely to prejudice the expenditure previously incurred.

4. On receipt of a favourable reply to this application I shall be glad to submit the documents mentioned herein.

I have the honor to be,

Sir,

Your most obedient servant,

Ananda

Bangalore.

Sir,

I have the honor to acknowledge, with thanks, the receipt of letter numbered 2831/Muz.476-18-2 dated the 15th instant from the Joint Secretary to the Government in the Muzrai Department on the subject of an endowment to the Srinivasa Mandiram Charities referred to in my letter to your address dated the 10th February 1919 and in reply to submit as follows.

2. I always understood that the extra half per cent interest provided in the rules was intended as a grant-in-aid from Government (in the words of para 2 thereof) "for the benefit of objects which may be considered legitimate objects of public expenditure". In the present case this half per cent would amount to R 33-8-0 per annum which in these strnuous times would be much appreciated in the orphanage section of the Mandiram Charities.

3. However that may be, I am quite willing to accept the proposal contained in the Joint Secretary's letter

above referred to and to deposit the said Government Promissory Notes with Government as an Endowment Trust for the benefit of the Mandiram and allied charities on the terms mentioned in my letter dated the 10th February 1919.

4. I beg therefore that you will be kind enough to let me know at your early convenience the exact terms in which the endorsements should be written and any other formalities which there may be to fulfil in this behalf.

Thanking you in anticipation,

I have the honor to be,

Sir,

Your most obedient servant,

P.K.

Sir,

I have the honor to acknowledge the receipt of Government Proceedings No.3583-88/Muz.475-18-4 dated the 17th May 1915 accepting the Trust for the benefit of the Srinivasa Mandiram Charities therein described and to submit my grateful thanks for the same.

2. I beg to be permitted to make a few small changes which will cause no inconvenience to the Government. I wish to make the face value of the Government Promissory Note of the 3½% loan to be R. 7,400 (Rupees seven thousand and four hundred) instead of R. 6,700 (Rupees six thousand and seven hundred) previously mentioned. This will give an half yearly contribution of R. 129-8-0 (Rupees one hundred and twenty nine and annas eight).

3. As I desire that the first payment under this Trust should be made in the next month (i.e. in June 1915) and as there is no arrear of interest due on the Government Promissory Note, I would solicit the acceptance of a cheque from me for that amount for the said payment in June.

4. In anticipation of Government being pleased to accept

these
